Wireless Internet Service for
FACULTY, STUDENTS, AND STAFF

Option 1 | **eduroam**

Princeton faculty, students, and staff should use **eduroam** to connect to the Internet. When prompted, enter your **netID@princeton.edu** email address and password. Use this link for additional **eduroam** information: **www.princeton.edu/eduroam**

Option 2 | **servicenet**

Devices that do not support **eduroam** can use **servicenet** to connect to the Internet. Please register each device at **https://servicenet.princeton.edu** The types of devices that may need to use **servicenet** include video streaming and gaming systems and other devices with limited login options.

Note: The puvisitor network is for the use of campus visitors and is not appropriate for use by faculty, students, or staff
